(2016 –AIP - UPDATES) The 2016 AIP Hangar Road / Parking Lot project is now complete. All seeding, final asphalt / concrete work have been completed. Recommendations for final payments will proceed.

(2017 - AIP) The 2017 Capital Improvement Plan meeting will be held late November. All listed projects will be reviewed and prioritized. Dates will be announced when available.

(KEY PAD ACCESS - REVIEWED) Discussions were held regarding the current proximity card reader and a potential DKS 1525 key pad system at the entrance gate to the airport. The general concern is the inevitable passing around of access codes leading to diminished access security.

Motion was made by George Bittner and seconded by Levi Koerner to adjourn. Motion carried, meeting adjourned.
