Agenda Item:

Authorization for 2021 Contingency Funds in the amount of \$100,000 for the Replacement of Golf Carts.

Explanation/Background of Agenda Item Requested:

The Golf Course would like permission to get bids on replacing the golf carts with a trade in of existing carts. Due to the current demand for used carts, the resale on the used carts is high and would result in savings on the purchase of new carts if they were purchased in 2021 versus waiting until 2023. The anticipated cost to replace the carts is \$100,000 with the trade in value. This amount would be finalized when bids are awarded. The City could set up an interfund loan to have the Golf Fund repay the use of the funds over a set period of time (for example 3 years).

The Golf course had anticipated \$5,000 of repairs for the used carts in 2021 based on the condition of the existing carts.

If approved, staff will bring a request to set the date for bid openings to the February 1, 2021 City Council Meeting.
