The deadline for agenda items is Wednesday at noon, prior to the City Council Meeting

Meeting Date Requested: Requested By:

Desired Action of City Council: Authorization Approval Resolution
 Ordinance Citizen Request Discussion

Amount Budgeted in current fiscal year for this item (if applicable):

Agenda Item:

Explanation/Background of Agenda Item Requested:

The City is currently under contract with Helms and Associates for the design and construction of Cell No. 4 at the regional landfill facility. Cell No. 4 is proposed to be constructed to allow continued use of Cell No. 2. The height of fill in Cell No. 2 and the current side slopes will soon extend to what would be Cell No. 4. The project is planned to be designed, bid and constructed in 2021. Please see the attached agreement and project location.

The Board of Water and Natural Resources held their scheduled meeting on January 7 to consider a grant proposal for the City's Landfill Cell #4 Construction. The SD DENR awarded the City a grant from the Solid Waste Management Program for 20% of approved costs not to exceed a maximum grant of \$324,000.

Staff recommends approval of the SD DENR Solid Waste Management Program for 20% of the approved costs not to exceed a maximum grant of \$324,000.
