Explanation/Background of Agenda Item Requested:

The council approved a State SRF loan for the drinking water improvements for Sanborn Blvd Phases II and III at the November 5, 2018 meeting with Resolution R2018-60 and was amended by Resolution R2019-15 at the February 19, 2019 council meeting.

The City received a letter from the SD DENR on January 11, 2021 stating that effective August 13, 2020, State Revolving Fund loan recipients must comply with regulations 2 CFR 200.216, prohibition on certain telecommunication and video surveillance services or equipment, implementing section 889 of Public Law 115-232. The regulation prohibits the use of Federal funds to procure of obtain equipment, systems, or services that use certain telecommunications equipment or services. The above referenced loan must be amended to comply. The attached amendment brings the loan into compliance.

Staff recommends approval of the attached amendment to bring the loan into compliance with regulations 2 CFR 200.216 per the requirement.

The Sanborn Blvd Phases II and III project was substantially complete on November 10, 2020 and is currently in project closeout.
