

Mitchell Public Library Director Report
May 18, 2021

1. Today, May 18 Allerie Loof begins full-time at the library, so we are finally back to being fully staffed.
2. Programming updates
 - a. Children
 - i. The Spring Storywalk has begun. We have more businesses participating this Spring.
3. For the past number of weeks my focus has been on developing plans for a grant application to the State Library for American Rescue Plan Act funding. On Monday's City Council meeting we have a request for authorization to apply for this grant. This week public libraries can apply. We are submitting an application for the maximum amount allowed during round one. We will discuss this application as a business item.
