

Mr Nathan Powell

Mitchell Parks & Rec Director

And Parks and Rec board members

June 8th, 2021

Greetings Park Board members. I am writing on behalf of our Texas Jammers group who will be coming from many states across the US to hold our annual gathering of musicians here in South Dakota. The group holds gatherings in various states over the summer months and it was 3 years ago after polling many members if held such a gathering in South Dakota would they come. I had a overwhelming response of YES votes. So that year we held our 1st on we had 7 states and Canada that came. Last year with Covid, we had 9 states that came. This year so far as of this date I have jammers from 8 states coming and the count continues. We are playing multiple locations during Corn Palace week.

We/I would like to request use of the Sportsman's Club & Covered Pavilion adjacent to it for Monday August 23rd 2021 for the day. It would be a social "Welcome to Mitchell" event and include a meet & greet, music and outside food vendor/s. Official welcome from City official TBD. From 6-9pm. All open to the public jammers and friends to enjoy our city. We/I am requesting use of the facilities as a free, non-profit event.

Please let me know as soon as possible for my scheduling purposes.
