

Golf and Cemetery Board meeting

August, 4th 2021

Cemetery

- Burials
 - July 20
 - YTD 81
- New employee started Monday
- Getting ready to do seeding in couple of weeks
- Working on irrigation breaks
- Spraying crabgrass, and growth regulator

Golf

- Working on irrigation issues
- Disease, weed, and grub control is on going
- Looking into range ball options
- Budget
- Working with Mr. Norby
- Planning on aerification on 23rd of August
- Finish stump removal so can be seeded
- Seasonal help starting to go back to school
 - Will have more than normal work into fall
 - This will help with the absence of full time staff
 - Will allow more time to do cultural practices
 - Will over seed some fairways
 - Going to spike with light topdressing as soon as possible

Jason Gunnare Superintendent

Golf/Cemetery Department
