2. TERM AND RENEWAL.

(a) The term of this Lease shall be 30 years from **January 1, 2022** through **December 31, 2051**, hereinafter the “Term.” Landlord and Tenant may by mutual agreement in writing renew this Lease for additional terms, hereinafter “Renewal Term(s).” All Renewal Terms of this Lease shall be for 1 year terms and upon the same provisions and conditions as

such exist at the end of the effective term immediately preceding such renewal. The Lease shall automatically renew for all Renewal Terms unless Landlord or Tenant provides written notice of non-renewal to the other party at least 90 days but not more than 365 days prior to the end of the effective Term.

(b) Tenant shall have the option to terminate this Lease for any reason for a period of 90 days immediately following the start of the first Term described above. In such event, and if no use, improvement, or alteration of the property has occurred within such period, Tenant shall have no further responsibility to Landlord and this Lease shall be treated as if it had never been executed.

3. RENT, TAXES, AND OTHER CHARGES. Total rent for the initial Term of this Lease shall be **\$7,500.00** per year payable to Landlord on or before the first day of the year. Such rent shall be nonrefundable should early termination of this Lease occur. Tenant shall pay the rent and all other charges required to be paid under this Lease by cash, valid check, money order, or cashier's check. No diminution or abatement of rent or offset shall be claimed or allowed for any reason whatsoever without further written agreement. Rent amounts for Renewal Terms shall remain at **\$7,500.00** per year. Tenant shall pay to Landlord with the rent all taxes legally imposed on the rent by taxing authorities. Should Tenant claim an exemption from payment of taxes imposed on rent by any taxing authority, Tenant shall provide to Landlord and keep on file with Landlord current proof of such exemption. In addition to the foregoing payments, Tenant shall be solely responsible for and pay to the appropriate authority by the due date all other taxes, fees, assessments, and other charges legally imposed or accruing against the Premises or Tenant's leasehold, which, for purposes of example only, may include but are not limited to ad valorem taxes and non-ad valorem assessments. Dispute of any such taxes, fees, assessments, or charges shall be solely the responsibility of Tenant at Tenant's sole cost and expense and Tenant shall indemnify and hold Landlord harmless for any and all such taxes, fees, assessments, and charges imposed as well as all costs and expenses arising from non-payment or late payment thereof or otherwise from any such dispute, including but not limited to penalties, interest, attorneys' fees, and experts' fees.

4. UTILITIES. Tenant shall be solely responsible for establishing and maintaining all utilities and other services needed to serve the Premises and for Tenant's operations and activities. Tenant shall promptly pay on or before the due date all charges for electric, water, sewer, communications, solid waste removal, and all other utilities and services serving the Premises. Tenant shall indemnify and hold Landlord harmless from payment of charges for any and all such utilities and services and for any interruption in the use or services of such commodities.

5. USE OF PREMISES.

(a) **Limitations and Conditions on Use.** Tenant shall be solely responsible for the operation, management, and maintenance of the Premises consistent with this Lease.

(b) **Supervision by Tenant; Control of Premises.** Tenant shall instruct, monitor, supervise, and manage its members, officers, directors, employees, volunteers, agents, representatives, participants, guests, contractors, sub-contractors, and other invitees in use of the

Premises consistent with this Lease and all limitations, restrictions, laws, and regulations. Tenant and not Landlord shall have the right and duty to control access to the Premises by such persons and other third parties. Tenant shall be deemed for all purposes to be solely in possession and control of the Premises.

(c) Non-discrimination. Tenant expressly agrees for Tenant and Tenant's successors and permitted assigns, that no person, on the grounds of race, color, religion, national origin, age, marital status, gender identity, sexual orientation, disability, or any other characteristic protected by Federal, State, or local law, will be excluded from participation in, denied benefits of, or be otherwise subjected to discrimination in the use of the Premises or Tenant's programs or activities; and that in the construction of any improvements on, in, over, or under the Premises and the furnishing of services on the Premises, no person, on any of the foregoing grounds, shall be excluded from participation therein, denied the benefits thereof, or be otherwise subjected to discrimination.

6. COMPLIANCE WITH LAWS. Tenant shall not occupy, use, or maintain or permit the occupation, use, or maintenance of the Premises or any part thereof for any unlawful, immoral, or improper purpose, or in such a manner as to constitute a nuisance of any kind, nor for any purpose or in any way in violation of this Lease or any existing or future code, law, rule, requirement, order, ordinance, or regulation.

7. PERMITS AND LICENSES. Tenant shall be solely responsible for obtaining, maintaining, and paying for the expense of all governmental and regulatory approvals, permits, and licenses necessary for Tenant's occupation, use, and operation of the Premises and access thereto, including but not limited to any required zoning and site plan approvals, building and other permits, and applicable licenses, as such are now or in the future required. Should Tenant be unable to obtain and maintain all approvals necessary for Tenant's intended use or operation of the Premises or other necessary areas, this Lease shall terminate unless agreed otherwise in writing by the parties.

8. IMPROVEMENTS.

(a) In General. Except for required general maintenance, repairs, and replacements, Tenant shall not make or cause to be made or allow any construction, alterations, installations, or improvements to or on the Premises without prior approval of Landlord's Mayor, or the Mayor's designee. Any and all construction, alterations, installations, and improvements shall be at Tenant's sole cost and expense and at no cost or expense to Landlord. Such costs shall include but are not limited to costs of planning, design, engineering, surveying, permitting, site preparation, construction, and installations. All work shall be performed in a good and workmanlike manner by a qualified contractor and consistent with Tenant's plans and specifications as approved by Landlord, and in compliance with all applicable laws, rules and regulations, including but not limited to applicable building code, Federal and state regulations, and disabilities laws (e.g., the Americans with Disabilities Act), and payment and performance bond requirements for capital improvements on government real property. In the event any governmental authority directs, or any applicable Federal or state law or regulation requires, any modification or alteration to the Premises or any buildings, structures, or other improvements

thereon or therein, whether now existing or constructed during the Term or any Renewal Term, Tenant shall be solely responsible for prosecution and completion of and payment for such modifications and alterations.

The parties recognize that any and all construction, alterations, installations, or improvements are capital improvements and the costs of such improvements are not rent, they are not payments in lieu of rent, and they are not made for the right to occupy the Premises, except as otherwise provided by this Lease.

Except as otherwise agreed in writing by the parties, at the termination of this Lease, Tenant, at Tenant's sole expense, shall pay for removal from the Premises any installations or improvements added to the Premises during the Term or any Renewal Term that are not found acceptable by Landlord. Notwithstanding any installations and improvements that are to remain on the Premises, Tenant shall be otherwise responsible and pay for restoration of the Premises.

(b) Construction of Improvements. In furtherance of Tenant's proposed use of the Premises, and notwithstanding any general limitation otherwise contained in this Lease, it is specifically contemplated that Tenant shall engage in restoration and remodeling of the Premises (hereafter "Improvements") in an effort to make the Premises suitable for Tenant's operations. Tenant shall engage in and complete the proposed Improvements consistent with the terms of this Lease, including but not limited to the following additional provisions:

- (1) All remodeling efforts and Improvements shall be pre-approved by and completed to the satisfaction of the Landlord's Mayor or the Mayor's designee. No structure may be approved which would interfere with airport operations.
- (2) Tenant shall not be entitled to any credit against rent or other form of compensation from Landlord in relation to improvements to the Premises.
- (3) As further provided by this Lease, Tenant shall be responsible for maintaining the condition of the building and improvements and shall ensure the building suffers from no major defects at any time, except for normal wear and tear.

The parties may agree in advance of an improvement being completed that part or all of the improvement shall remain the private property of Tenant. Such agreement shall be in writing, specifically list the property which will have that status, acknowledge that Tenant must remove such property when the Lease terminates at Tenant's sole expense, and Tenant must restore the site to pre-improvement condition for any property so removed.

9. LOANS AND LIENS. Landlord's interest in the Premises shall not be subject to any loans, security interests, or liens for any construction, alterations, installations, improvements, or work. Tenant shall notify all persons and entities loaning money, constructing improvements, or performing work on the Premises, or supplying materials, equipment rental, or other services for the improvements or work, that this Lease does not allow any loans, security interests, or liens to

attach to Landlord's interest. If, notwithstanding the foregoing, any loan, security interest, mechanic's, materialman's, laborer's, or any other lien, or any order or judgment for payment of money, shall be recorded against the Premises or any part thereof or against Tenant's leasehold interest or otherwise asserted against Landlord's interest (whether or not legally effective), then Tenant shall, at Tenant's own cost and expense, cause the same to be satisfied, cancelled, and discharged of record and, further, shall indemnify and hold Landlord harmless from and against any and all costs, expenses, claims, losses or damages, including reasonable attorneys' fees and experts' fees, through trial and appeal, resulting there from or by reason thereof.

10. LANDLORD RIGHT OF ENTRY. Landlord shall also have the right to enter the Premises for inspection, protection, or preservation of the Premises, including but not limited to inspection of the Premises to determine whether Tenant is complying with the terms of this Lease, applicable laws, orders, or regulations of any lawful authority having jurisdiction over the Premises or any activities conducted thereon or therein. Landlord's retained rights hereunder also include the right of ingress, egress, and regress for the installation, replacement, and maintenance of utilities and related facilities on, across, and under the Premises as may be deemed necessary by Landlord. Landlord shall, to the extent possible in Landlord's determination, locate such utilities and related facilities in such a manner as not to disturb Tenant's operations and use of the Premises. Entry by Landlord shall not constitute or be deemed an eviction of Tenant or any deprivation of Tenant's rights under this Lease; nor shall such entry alter in any manner Landlord's obligations hereunder.

11. ASSUMPTION OF RISK; RELEASE AND INDEMNIFICATION. For and in consideration of the separate sum of One Dollar (\$1.00) and other good and valuable consideration paid by Landlord to Tenant, the receipt and sufficiency of which is hereby acknowledged by Tenant, Tenant agrees as follows:

(a) **Premises "As Is."** Tenant accepts the condition of the Premises "as is" and recognizes and hereby expressly and fully assumes all risks, known and unknown, that arise or might arise incidental to or in any way connected with the condition or use of the Premises or access to the Premises. Tenant acknowledges and agrees that Landlord has not made and makes no warranty of any kind whatsoever as to the condition of the Premises or fitness of the Premises for any particular purpose. This assumption of risk by Tenant is made for and on behalf of Tenant and Tenant's successors, permitted assigns, and Tenant's officers, directors, members, employees, volunteers, agents, representatives, participants, guests, contractors, subcontractors, and all other invitees.

(b) **Release and Indemnification (Premises).** Tenant hereby releases and forever discharges Landlord and Landlord's elected officials, officers, employees, and agents, cumulatively the "Released Parties," and agrees to indemnify and hold harmless the Released Parties, from and against any and all liabilities, claims, demands, damages, actions, lawsuits, costs, and expenses, of any kind or nature, including but not limited to costs of investigation, attorneys' fees, experts' fees, and costs through trial and appeal, arising out of, incidental to, or in any way connected with the condition, maintenance, or use of the Premises, access to the Premises, the condition, maintenance, or use of any installation, improvement, or equipment on, in, or serving the Premises, or otherwise arising under this Lease.

(c) Indemnification (Use). Tenant shall indemnify and hold the Released Parties harmless from and against any and all liabilities, claims, demands, damages, actions, lawsuits, judgments, penalties, losses, costs, or expenses, of any kind or nature, including but not limited to costs of investigation, attorneys' fees, experts' fees, and costs through trial and appeal, arising out of, incidental to, or in any way connected with Tenant's possession, use, occupancy, operation, or maintenance of the Premises, and any act or omission of Tenant or Tenant's members, officers, directors, employees, volunteers, agents, representatives, participants, guests, contractors, subcontractors, and other invitees.

(d) Release and Indemnification (Public Improvements and Utilities). Tenant's release and agreement to indemnify and hold the Released Parties harmless shall also include any claim for damage that any utility (whether publicly or privately owned) or public entity may sustain or receive by reason of Tenant's possession, use, occupancy, operation, or maintenance of the Premises, or any installations or improvements thereon or made by or for Tenant. Tenant waives all claims of any kind or nature whatsoever against the Released Parties for damages that Tenant may suffer by reason of the installation, construction, reconstruction, operation or maintenance of any public improvement, facility, or utility, whether presently in place or which may in the future be constructed or installed, including but not limited to any water or sewer mains, lines, pipes, structures, or other facilities; storm water structures, pipes, or other facilities; electric or communication lines, structures, conduit, or other facilities.

(e) Claims Under Disabilities Laws. Should a regulatory agency, private party, organization, or any other person or entity make a claim under the Americans with Disabilities Act or other Federal or state law against Tenant or Landlord, or both Tenant and Landlord, for an alleged violation of or noncompliance with any such law as to the Premises or any improvements thereon or therein, or as a result of Tenant's occupancy or use of the Premises or operation of Tenant's programs or services, Tenant shall defend, save, and hold harmless Landlord from any and all expenses incurred in responding to such a claim, including without limitation the fees of attorneys and other advisors or experts, court costs, and costs incurred for correcting any such violation or noncompliance found to exist.

(f) Intent and Effect. It is the intent and effect of the provisions contained in this section 11 and a material inducement for Landlord to enter into this Lease with Tenant, that Tenant's obligations hereunder shall be and include a full and total release and indemnification of the Released Parties against any kind or nature of claim whatsoever that is or may be asserted by reason of or as a consequence of Landlord having granted a leasehold to Tenant to possess, occupy, use, improve, operate, and maintain the Premises, and that any and all risks of loss and responsibility for claims shall be borne by Tenant and not by Landlord, the public, or Landlord's taxpayers. Tenant acknowledges and agrees that the provisions of this section 11 are provided as separate consideration and inducement for this Lease and such Lease would not have been entered into by Landlord absent the giving of such consideration by Tenant. Tenant's obligations under this section 11 shall survive the termination of this Lease for any matter arising prior to the effective date of the termination or the date Tenant no longer possesses, occupies, uses, operates, or maintains the Premises, whichever is later. Notwithstanding any other provision of this Lease, should any claim or litigation by any person or entity arise against Landlord as to liability for any

injury, death, or property damage due to the condition of the Premises or Tenant's possession, occupancy, use, operation, or maintenance of the Premises or Tenant's activities, Tenant shall be responsible for, and promptly reimburse Landlord for, all costs of Landlord's defense of such claim or litigation, including but not limited to fees for Landlord's attorneys and experts.

(g) Landlord Acts. Notwithstanding the above, the release and indemnification provided for herein by Tenant shall not apply to any intentional or negligent acts of the Released Parties.

12. INSURANCE. During the Term and all Renewal Terms, and so long as Tenant occupies, uses, operates, or maintains the Premises, Tenant shall procure and maintain insurance at Tenant's sole cost and expense, as follows:

(a) Commercial General Liability Insurance. Commercial general liability insurance providing all risks coverage which protects Tenant and Landlord and all other Released Parties from and against any and all claims and liabilities for bodily injury, death, and property damage arising from operations, premises liability, fire, and all other risks. Such insurance shall provide minimum coverage of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate. Tenant shall be and remain liable for and pay all deductibles and other amounts not covered, paid, or reimbursed under the insurance policies.

(b) Property Casualty Insurance. Property casualty insurance for the Premises and any buildings constructed shall be added to Landlord's existing property casualty insurance policy in such amounts as Landlord deems appropriate in its sole discretion but not to exceed one hundred fifty (150%) of the property and building value. Tenant shall reimburse Landlord for the expense attributable to such coverage. Tenant may choose, at its option, to obtain renter's insurance at Tenant's sole expense for any of its personal property.

(c) Flood Insurance. Flood insurance, at the option of Tenant, for all buildings, structures, and other improvements now existing or constructed or installed during the Term or any Renewal Term on or in the Premises. Said flood insurance coverage shall be for the lesser of the total insurable value of such buildings, structures, and other improvements or the maximum amount of flood insurance coverage available under the national Flood Insurance Program.

(d) Workers' Compensation Insurance. Tenant shall maintain workers' compensation insurance if and to the extent required by law, with coverage amounts that meet or exceed the statutory mandatory minimum.

(e) Builder's Risk. - (2) The policy must be specifically endorsed to eliminate any "Occupancy Clause" or similar warranty for representation that the buildings, additions, or structures in the course of construction shall not be occupied without specific endorsement of the policy. The policy must be endorsed to provide that the builder's risk coverage will continue to apply until final acceptance of the buildings, additions or structures by Tenant and Landlord (as owner).
- (3) The maximum deductible shall be no more than \$5,000.00 each claim. A higher deductible may be permitted subject to Landlord's written approval.
- (4) The policy must be endorsed to provide machinery/equipment coverage during transit, storage and installation, including any directly purchased by the Tenant.
- (5) The policy must be endorsed to provide coverage for tangible property, materials, machinery/equipment, and supplies directly purchased by Tenant for which the risk of loss has transferred to Tenant. Such endorsement shall provide for reimbursement for loss or damage directly to Tenant as an additional insured if the insurance is provided by Tenant's contractor.

(f) Landlord Additional Insured; Policy Endorsements. The policies of insurance required herein for commercial general liability insurance, property casualty insurance, flood insurance (if elected by Tenant), and builder's risk insurance, including all renewals, shall be written to specifically name and include Landlord as additional insured or be endorsed to name and include Landlord as additional insured, and provide for at least thirty (30) days advance notice to Landlord by the insurer prior to any policy change, amendment, termination, or expiration of coverage. Tenant's property casualty insurance shall also provide for or be endorsed to make any loss payments payable jointly to Tenant and Landlord for losses covered under such policies. Tenant shall cause its insurance agent(s) or carrier(s) (or its contractor in the case of builder's risk) to provide Landlord with a copy of such policies, additional insured endorsements, and certificates of insurance stating that the coverage as required herein is in force and effective: no later than the Effective Date of this Lease for commercial general liability insurance; no later than commencement of construction work on the improvements for builder's risk; and no later than completion of the improvements for property casualty insurance. (h) Modification of Insurance Requirements. Recognizing the extended Term of the Lease, Landlord shall have the right to periodically review the adequacy of the required insurance, its form and type, and the amount of coverage and, notwithstanding any other provision of this Lease, unilaterally modify the insurance requirements of this section by written notice of such amendment to Tenant. Such modifications shall be as found reasonably necessary in the sole discretion of Landlord. In the event that Tenant should fail for any reason to procure or maintain insurance in the forms, type, or minimum coverage required and maintain the Landlord additional insured policy endorsements and certificates of insurance, Tenant shall cure such material breach within fifteen (15) calendar days after service on Tenant of a written notice of such breach and demand for cure or possession of the Premises. Should Landlord elect to secure replacement insurance, Tenant shall thereafter reimburse Landlord within fifteen (15) calendar days of Landlord sending an invoice for the costs and premiums incurred by Landlord for the replacement insurance coverage plus an administrative charge of ten percent (10%) or \$250.00, whichever is greater. Tenant shall continue to be responsible for the payment of all deductibles applicable to the insurance policies and all losses incurred during any lapse in coverage. Should Tenant subsequently obtain the required insurance, endorsements, and certificates, Tenant shall remain responsible for and reimburse Landlord for all costs and expense to Landlord for the insurance premiums earned and administrative charges.
