Agenda Item:

Explanation/Background of Agenda Item Requested:

Ethan Coop Lumber have requested three street lights be installed initially for their Lakeridge Addition Phase I development. The street lights will be installed as shown in the attached plan. Lights labled 1, 2 and 3 are requested for installation at this time. It is proposed that a wood pole with LED head be installed.

Street lights are installed free of charge to the City of Mitchell if a wood pole is installed by Northwestern Energy. A monthly fee per the currnet rate schedule will be charged per light to the City of Mitchell once installed.

City staff recommends approval of the street light request as indicated in the attached drawing.
