Change Order No. 1 Project No. 2020-25 Rec Center Pool Fill In

This change order reflects a change in the type of floor outlets that were requested by staff at the Rec Center. Staff didn't feel that data outlets were needed for the exercise machines so they requested a change in the floor outlets which also eliminated the need for a separate conduit for data communications. There is currently WIFI running throughout the building if any data communications is needed.

This resulted in a cost savings of \$4010.00

Original Contract Price was \$98,800.00
Change Order No 1 -\$4010.00 (Cost Savings)
New Contract price with Change Order \$94,790.00
