

# Project Roadmap

## Phase Outcomes

# Mitchell Area MTP – Public Meeting #1

## Public Meeting Open House

The purpose of the first public meeting is to gather feedback on transportation issues and needs to be addressed by the Master Transportation Plan (MTP). The public meeting will be a hybrid meeting, with an in-person open house and a virtual (online) self-paced component that can be accessed through the study website. Both meetings will share the same information and provide opportunities for the public and stakeholders to provide comments
