Subject: Dispensaries...

Mark - I just wanted to drop a note regarding the medical dispensary applications.

Yes, I know it's legal and I'm not going to argue that - but is downtown a good place for this? I'm guessing these establishments will be a stop in and get your stuff and leave type of establishment, not so much a stroll down main street and just happen to stop in. More of just come and go traffic and parking.

An ordinance was set to not allow these within 300ft of a church, or within 1000 feet of another dispensary. The council went to the work of creating the ordinances and passing them... I ask that the ordinance should be upheld. I would bet that there are locations available that would comply with the ordinance.

Anyway, those are just my thoughts.

thanks,
Linda McEntee
