Agenda Item:

Action on Resolution R2022-17, Declaring Certain Real Property at the Intersection of 15th Ave and Minnesota Street Surplus, Appointing a Board to Conduct an Appraisal, and Authorizing the Sale of Such Real Property Pursuant to State Law

Explanation/Background of Agenda Item Requested:

The City has an empty lot at the intersection of 15th Ave and Minnesota Street. To put the lot to use, the Mayor would like the council to consider the surplus and sale of this property.

This resolution will declare the property surplus, appoint a board to conduct an appraisal as required by state law, and authorize the Mayor to provide notice of the sale and to attempt to sell the property utilizing a realtor. State law would then require a final offer to be approved by council at a future meeting.
