

Recreation Board Report  
March 11<sup>th</sup> – April 14<sup>th</sup>  
Kevin DeVries

Programs:

- Youth wrestling wrapped up with the State tournament 26<sup>th</sup>. Our men's league basketball and Coed Volleyball ended their seasons in March and early April as well
- Jamie had her final session of winter swim lessons finish on April 14<sup>th</sup>
- The focus now is on summer programs. Our summer brochure came out on April 6<sup>th</sup> in the paper and in the schools on April 8. We have a digital copy on our website as well.
- Summer registration opens online April 18<sup>th</sup> at 8:00 am and walk-ins start April 20<sup>th</sup>.
- We are still looking for a few program positions and are in need of lifeguards as always.

Recreation Center:

- Numbers have stayed strong and our 24/7 numbers have doubled during the week.
- The space in the old pool has been very useful for the preschool and afterschool programs. We are excited about getting the 2<sup>nd</sup> phase of the room and get it completed by the end of the year.
- Our birthday parties are still doing well and expect April and May to be just as busy.
- The aquatic club has taken a break from practice as they are still in search of a new coach. This will affect our March and April revenue as we will not be collecting rental fees.
- The plaster issues in the 2 pools have continued to deteriorate. We have several new holes and more that we can see coming. Puetz did come and take some underwater pictures of the problems. The holes are strictly cosmetic and don't cause a structural issue. It just doesn't look good. As of now the plan is to close the 2 pools in late July after swimming lessons and redo both of them. The details of that will be coming soon.
