

Golf & Cemetery board Meeting

June 13th 2022

Cemetery

- Got ready for Memorial Day.
 - Lost 6 trees in the storm.
 - Will have to cut down 4 more because of damage.
 - Had most of the crew in to help clean up, and some volunteers helped.
 - They did a great job.
 - Knocked over 8 monuments.
 - Schafer is going to help reset them
- Serviceman's cemetery shelter is near completion.
- Pay loader hose came in and the starter went out.
 - Running good now.
 - Street shop also found a couple grounded wires that they fixed.
- Digital Cemetery
 - I have been in contact with District 3 on a few items.
 - They did not give me any timeline.
- Exchange club contacted us about the children's memorial.
 - They want to know if we will replant shrubs or put a picket fence in.
- Working on expansion plans.
 - We have been selling a lot of sites and are filling up.

Community gardens

- 6 spots left.
- Put on Facebook that sites still available.
 - \$35 for 10 by 20.
 - Water supply with hoses located throughout the garden.
- Had to do some fence repair.
- Re tilled the unsold spots this week.

Golf

- Clean up after storm.
 - Did not really get started until Tuesday.
 - Lost 7 trees, and will need to take 3 more.
- Water fall pump is in and working, but there are some control problem.
- Fertilized tees and fairways this week
- We have vertical mowed the greens twice.
- Some pump station things to get worked out.
- Got the new 50 hp pump installed and works great.
- Fixed some electrical issues out in the field after the storm.
- I have been in contact with Yamaha about some issues with the rentals.
- Ponds are all full except #1. It should be full by this meeting.
- Will have to do grub control soon.
- Will be losing one seasonal this week.
- Will be making time to start on tee boxes this week.
- Will have to do some closures of parts of the driving range tee to allow it to heal.
 - There has been massive use of it this spring and the turf cannot keep up.
 - I will have to give it a boost to get it useable.
