Agenda Item:

Explanation/Background of Agenda Item Requested:

This request is for approval to submit a South Dakota Bridge Improvement Preliminary Engineering Grant application for improvements to the Canal Bridge, 18-129-060. The grant would provide design services for construction of a new bridge. The current bridge has a failing timber which has reduced the legal limits to half of which is allowed.

The estimated costs for the design is \$85,800. The City's commitment to the project is 20% or \$17,160.

The attached application is provided by Brosz Engineering, Inc., along with the resolution required for the application.

Staff recommends approval of the resolution by City Council for the commitment and for signature by the Mayor.
