Approval of Resolution in support of a grant application by MAHI for a HIFP infrastructure grant

Explanation/Background of Agenda Item Requested:

The attached resolution is needed for Mitchell Area Housing Incorporated to apply for a Housing Infrastructure Financing Program Grant with the South Dakota Housing Authority.

The resolution states that the preliminary plans for the infrastructure meets city requirements, and that the City has adequate capacity for the new waste water lines in the project.

The plans will still need final approval by the City and for final approval of any grant awards.

Staff recommends approval of the resolution of support for the grant application.
