Meeting Date Requested:  Requested By:

Desired Action of City Council:  Authorization  Approval  Resolution  
 Ordinance  Citizen Request  Discussion

Amount Budgeted in current fiscal year for this item (if applicable):

Agenda Item:

Explanation/Background of Agenda Item Requested:

The SD DANR is offering a Tire Grant Program in 2022. The program allows an 80/20 cost share for tires collected and disposed of during the collection period. The last tire grant provided by the SD DANR was 2019. The City collected approximately 350 tons of tires for a total cost of \$67,000 which the City was responsible for 20% or \$13,400. The requested application requests up to \$75,000 with an 80/20 cost share.

Staff is proposing to collect tires in September for approximately four weeks. Tires from retailers or businesses are not accepted as part of the program. The tires would be shredded and recycled. An acceptable recycled use is cover for trash at the landfill.

Staff recommends council approval and authorization for the Mayor to sign.
