Special Event Application - Submission #2274

Date Submitted: 7/15/2022

Special Event Application Form

Events that are open to the general public and take place within the public right-of-way; require closure of streets or parking lots, sound amplification, fireworks, or are located within a park are coordinated through the special event application & permit process. Typically, these events require permits, licenses, and approvals from several City departments, depending on the size and nature of the special event. To apply for a special event permit, please complete this application. Your application, including required attachments, needs to be submitted no later than forty-five (45) days before your event. Facility Use Agreements should also be completed at this time (if applicable).

Event Information

Overall Event Description:*

We request a temporary closure of the west ½ (one half) of the block of West Douglas Avenue from South Edmunds Street east to the alley for a period of 5 hours from 4:30 PM to 9:30 PM Friday, August 12, 2022, for the purpose of a Family Night/Carnival which concludes a week of Vacation Bible School.

Our church building is located on the south side of the street, but we also own the property on the north side of the street which we would like to use for the Carnival.

The purpose of the street closure would be for safety reasons, since we will have more than 100 people going back and forth across the street during the Carnival.

Thank you for your consideration of this request.
