Agenda Item:

Explanation/Background of Agenda Item Requested:

The proposed agreement provides preliminary engineering services by CDI for a potential gun range location and layout. The proposal includes the evaluation of two sites for the implementation of a 100, 200, 500 and 1,000 yard range along with pistol bays. Shotgun and trap shooting are not planned for the site.

The final deliverable includes a conceptual layout of the selected site and preliminary cost estimate. The final deliverable may also be used for an application for funding assistance to the South Dakota Game Fish and Parks for the gun range project.

Staff recommends City Council approval of the attached agreement with CDI for a lump sum fee of \$11,000 for the described services.
