Explanation/Background of Agenda Item Requested:

On July 10th, 2018 at 1:30 PM in Council Chambers we held the bidding of Jitters Asbestos Remediation. This is the first step in the demolition process of the building.

We had one bidder which is Horsley Specialties Inc. from Rapid City, SD.

We would recommend awarding this to Horsley Specialties, this is a specialized type of work to be done. We had a list of 6 companies in South Dakota and Nebraska that does this type of work and only one bidder showed interest in the work.

The City of Mitchell has worked with Horsley Specialties in the past. Staff recommends awarding the bid for Jitters Building Asbestos Remediation City Project #2018-8A to Horsley Specialties in the amount of \$7,600.00

The project was scheduled and budgeted for 2018. Budget Line item 101-43120-43308.
