Agenda Item:

Explanation/Background of Agenda Item Requested:   
  
Budget:  
General Fund Streets & Sidewalk - \$140,900  
Storm - \$3,333,900  
Water Distribution Improvements - \$491,800  
Wastewater - \$615,400  
Total Phase 2 = \$4,582,000  
  
Sanborn Bridge - \$891,250  
Total Budget = \$5,473,250  
  
Bids were opened at 1:30 PM on Thursday, January 17, 2019, in City Council Chambers, and were advertised as required by State law for the Sanborn project. The project was bid with concrete pavement as the design, based on the success and costs savings for concrete pavement construction on the Sanborn Phase I project.  
  
The bid also incorporated the Phase II & III portions of the project, as well as the Bridge Reconstruction project, a Bridge Improvement Grant (BIG) project with the South Dakota Department of Transportation.  
  
The design engineer has the road closures sequenced throughout the project schedule, to minimize interruptions to businesses and allow access to homes and businesses through the construction duration. The estimated timeline of for Phase II and the bridge improvements is March 2019, through November 2019. Construction of Sanborn Phase III will be executed in 2020.  
  
The design engineer and City Staff have elected to recommend award of the Phase II & III and Bridge Reconstruction at this time and enter into an agreements with the lowest qualified bidder.
