Explanation/Background of Agenda Item Requested:

The City has been in the process of reviewing its various committees, boards, etc. A number of these were identified by the Mayor and staff as potential candidates to be disbanded or repealed. Several were addressed previously by resolution and the remaining changes require action by ordinance.

Chapter 12-1 of our code deals with Flood Damage Prevention. There is an appeal board designated to hear appeals for certain decisions. The current ordinance only provides that the Mayor shall appoint the board. This ordinance would define appeal board for the purposes of this chapter to mean the Planning and Zoning Commission so that they could hear these appeals and no separate board would be needed.
