Explanation/Background of Agenda Item Requested:

The City has been in the process of reviewing its various committees, boards, etc. A number of these were identified by the Mayor and staff as potential candidates to be disbanded or repealed. Several were addressed previously by resolution and the remaining changes require action by ordinance.

Our code has a chapter on the Arts Council. The chapter mostly sets a few goals to be carried out by the Mitchell Area Arts Council, Inc. (an independent nonprofit). From what we can tell, the MAAC was no longer that active and is going through the process now to wind down their operations. While we did not know that when we started this process, MAAC ending operations would likely have required us to repeal this chapter in our code even if we weren't reviewing other committees.
