CALL MEETING TO ORDER

Approve Agenda

1. Request For Street Closure - AKG 100 Year Celebration

AKG requests permission to bring heavy equipment to the AKG 100 Year Celebration, which will be held on September 14th at Patton Young Park. AKG is in the process of confirming the specific equipment that will be on display. At this time, it is requested that the 400 and 500 blocks of south Edgerton St. be closed from 7:00am until 6:00pm with no vehicles parked on either side in order to display this equipment during the celebration. Should the equipment set-up not require both blocks on the day of the event the closure will be modified as necessary.

Mitchell Department of Public Safety:

AKG is requesting permission to bring heavy equipment to our 100-year celebration, which will be held on September 14th at Patton Young Park. A couple of our customers would like to bring machinery in and it will exceed the 35-horse power limit to park in the grass so we are requesting that we can park a CNH combine and a John Deer Crawler on the road to the west of the shelter.

Please let me know if this is feasible. You can reach me at 605.996.5700 or email me at karol.voneye@akg-midwest.com.

Thank you,
