Mayor Everson and City Council Members,

On behalf of Mitchell Main Street & Beyond, I would like to formally request that you expand the current BID Board and appoint two additional members: Blake Sabers and Ben Kalovsky.

The addition of Sabers and Kalovsky would greatly expand our BID Board's representation. Ben and Blake are active members of Mitchell Main Street & Beyond while also serving on our board of directors. Similarly, Ben and Blake have many years of experience as business owners here in Mitchell. Their appointment to the board will add great value and knowledge to the current BID Board.

Thank you for your commitment to our organization.

Respectfully Submitted,
