Explanation/Background of Agenda Item Requested:

Mayor & Council members,
The enclosed resolution would expand the BID 3 board (Main Street BID) to add two additional members. This action would bring the total membership of that board from 5 to 7. The BID board meets to forward an annual budget recommendation to the City stating how the BID funds should be used as was outlined in the project plan when the BID was established.

Mitchell Main Street & Beyond has included a letter explaining the request, and that is also enclosed with the resolution.
