Explanation/Background of Agenda Item Requested:

BID 2 currently has a portion of the hotel tax designated towards funding the Sports and Events Authority operations. Out of the \$1.50 per night per room, \$0.50 goes towards the SEA. That \$0.50 is set to expire on October 31, 2019.

To renew this portion of the tax, the City has a number of steps it must follow in order to comply with state law. The City first passed a Resolution of Intent on July 29, 2019 and mailed notices to those owners within the BID on July 30, 2019.

A Hearing on the renewal and first reading on the Ordinance will be held on September 3rd. Second Reading and Adoption would be scheduled for September 16th. The ordinance would then allow the tax to continue in effect for another 5 years until October 31, 2024 when it would automatically terminate unless renewed by further ordinance.

Please note that a First Reading on this ordinance was included on the August 5, 2019 City Council meeting by mistake. The action is now being brought back at the appropriate place and time as provided in the previous resolutions, notice of hearings, and state laws require.
