**Interlibrary Loan** - A transaction in which library material, or a copy of the material (including materials sent by telefacsimile or other form or electronic transmission) is made available by one library to another upon request. It includes both lending and borrowing. The libraries involved in interlibrary loan are not under the same administration or on the same campus. Interlibrary loan also includes transactions for materials obtained through the interlibrary loan process that are supplied from non-library sources. Taken from ANSI/NISO Z39.7-1995 "Library Statistics".

**Library** - A library is an entity that provides all of the following: (a) an organized collection of printed or other library materials, or a combination thereof; (b) a staff to provide and interpret such materials as required to meet the informational, cultural, recreational, and educational needs of a clientele; (c) an established schedule in which services of the staff are available to clientele; and (d) the facilities necessary to support such a collection, staff, and schedule. Taken from ANSI/NISO Z39.7-1995 "Library Statistics".

**Returnables** - Report materials that the supplier/lending library expects to have returned. Examples of returnables include books, dissertations and theses, microfilm reels, sound recordings, and audiovisual material. Taken from Academic Library Survey for the National Center for Education Statistics.

**Non-returnables** - Report materials that the supplier/lending library does not expect to have returned. Examples of non-returnables include photocopies or facsimiles, fiche-to-fiche copies, print copies from microfilm, electronic full-text documents, and gratis print copies of unpublished reports and/or departmental working papers. Taken from Academic Library Survey for the National Center for Education Statistics.
