Explanation/Background of Agenda Item Requested:

Don and Barb Young are requesting approval of a change-in-use to the parking space on the west side of S Kimball St, in front of their warehouse/business at 125 S Kimball St. The change-in-use is requested to be a permanent change for the parking space.

The garage door for the warehouse is less than 8 feet wide and loading & unloading is difficult often blocking the travel lane, unless the parking space in front of the building is vacant.

A road closure is not requested.

A copy of the map is included in this staff report. City Staff recommends City Council approval of the change-in-use to the parking space.
