

Attention City of Mitchell Residents

The City of Mitchell will begin Residential Recycling on January 1, 2020. The recycling items will be collected the same day as your garbage collection, twice per month.

The City wants to collect data to better serve the residential community.

Please contact the City at (605) 995-8465 or e-mail at kroth@cityofmitchell.org, if your preference is a 64 gallon container versus a 96 gallon container for your recyclables. You may also detach the bottom of this flyer and drop it off at the Public Works Office in City Hall.

The City of Mitchell and DWU will be scheduling a community outreach meeting to discuss the future of recycling in our neighborhood.
